

SCHEDULE UPDATE!!

Kentucky Collegiate BASS Open Series

This event is sanctioned to be eligible for points to count towards the Bass Pro Shops School of the Year presented by Abu Garcia.

- Due to the cancellation of the Nolin Tournament, the Dale Hollow Tournament will now be a two-day event.
- Final standings will be based on cumulative weight from this event and the Laurel River Lake event in February. If 50 unique teams compete across both events, two teams will qualify for the BASS National Championship; otherwise, only one will advance.
- The tournament follows the five-fish format under Bassmaster College Series rules
- All competing members must be a registered BASS member and active member of a college fishing organization.
